**Hearing date : 18-10-2012**

**DAILY ORDER**

MP No. 36 of 2012 filed by Tamil Nadu Generation and Distribution Company Limited for procurement of short term power to the tune of 1000 MW RTC power for the period November 2012 to May 2013. The petitioner has prayed for approval of certain deviations. During the argument CE, PPP agreed that there is a repetition in the proposed amendment for payment terms and therefore the following amendments proposed in the petition can be deleted. "The generators in Tamil Nadu will also be provided with payment security equivalent to 100% of 45 days of energy charges." This deletion is because of repetition and the previous sentence adequately caters to the same.

During the hearing, CE, PPP further stated that bids were opened on 11-10-2012 wherein only one eligible bid for a quantum of 20 MW has been received. The petitioner will file further details with regard to the selected bid as and when they finalize the same.
