**DAILY ORDER**

TANGEDCO prayed for condonation of delay in filing this petition. The delay was condoned and the petition is admitted. TANGEDCO further explained that these stations have to be operated outside the merit order in view of the prevailing power shortage. TANGEDCO shall also amend para 8 of the petition suitably so as to omit column (3) which relates to the energy disallowed, since the same is not the subject of the petition. TANGEDCO was asked to clarify as to how the additional expenditure incurred will be met while taking up the issue for the month of October 2012. Orders reserved.
