DAILY ORDER

S.M.P.No.1 of 2013 and S.M.P.No.2 of 2013 regarding delay in replacement of defective meters and delay in effecting new service connections were listed today. Chief Engineer (Commercial) appeared and explained that sufficient numbers of meters have been ordered both for single phase and three phase for effecting new service connections as well as replacing the defective meters. The progress reported by him is still not satisfactory as large numbers of defective meters are yet to be changed. He also explained that additional defective meters were also reported even as they were changing the existing defective meters. He has assured to change all the existing defective meters by July 2013. A detailed report regarding the effecting of new service connections without delay, clearing the backlog both in the case of effecting new service connections and change of defective meters shall be filed by 30th June 2013 and the matter shall be listed in the first week of July for further direction. The report to be submitted by TANGEDCO shall also identify the list of consumers who have sought compensation and actual compensation paid so far.
