Rahul Balaji, Advocate argued that Hon'ble APTEL has concluded that a petition whether it is regulatory or adjudicatory one has to be decided with reference to the prayer in the petition only and in this case Hon'ble APTEL concluded that the prayer in the petition involves regulatory measure only and hence prayed to issue suitable direction to the Registry to register the petition as Miscellaneous Petition. On the other hand, the counsel for TANGEDCO submitted that there is no specific direction for classification of the petition as a Miscellaneous one by the Hon'ble Appellate Tribunal for Electricity. Commission would like to analyse the nature of Prayer and examine the legal aspects at length. The case is adjourned for further hearing.
