**DAILY ORDER**

Order pronounced.

“4.9. It is noted that the petitioner has also sought adoption of the rates fixed by CERC in the present Miscellaneous Petition, which in the normal circumstances is meant only for quantum approval and a separate PPAP has to be filed for adoption of rates with required fees as per the Fees and Fines Regulations. Considering the fact that procurement has already been made, Commission has accorded approval for the rates in the Miscellaneous Petition itself to avoid loss of time. Hence, it is to be made clear that though the Commission has approved and ratified the action of the petitioner for the procurement of re-allocated power from the aforesaid Central Generating Stations, as per the approval of MoP and also ratified the Power Purchase Agreement with NTPC and NLCIL sources, such approval is subject to payment of fees as prescribed under TNERC’s Fees and Fines Regulations 2022 in regard to the quantum for which power procurement approval is sought. Accordingly, the petitioner is directed to remit the fees within a period of 7 days from the date of this Order”.
