**In the matter of : Tariff Order No.7 of 2022 dated 09.09.2022 in  
T.P.1 of 2022 – Compliance of Para 5.8.6 (Low  
Tension Tariff I-A) Verification of additional service  
connections – Extension of time – Granted**

---

The Commission has issued Tariff Order No.7 of 2022 dt.09.09.2022 in T.P.1 of 2022, with a direction in Para 5.8.6 to streamline the additional domestic connections (Low Tention Tariff I-A) within a period of two weeks.

2. In this connection, TANGEDCO in their letter dated 12.10.2022 has stated that the compliance of the above para 5.8.6 of Tariff Order, involves physical inspection and also requires inspection of each and every premise before serving the notice which is very much time consuming to complete in serving the notice within a period of two weeks as directed. Further stated that due to starting of North-East monsoon, festival season, difficulties are faced in identification/inspection of common

supply services and is getting delayed; hence requested before the Commission to grant time extension for issuing of notice from two weeks, as prescribed in the Tariff Order, to seven months for implementing the same.

3. Considering TANGEDCO's reasonableness and justifications furnished seeking additional time required for identification of such services, and its physical inspection of each & every such premise and serving of notices, and also taking into account of the upcoming North-East monsoon, festival season, Commission hereby extends the time upto 10.04.2023 i.e., seven months from the date of effect of the Tariff Order, for compliance of the directions issued under para 5.8.6 of T.O. No.7 of 2022.
