12th April 2010

Press Note

Sub: Electricity tariff revision

The attention of the Commission has been drawn to certain reports appearing in a section of the media to the effect that the Tamil Nadu Electricity Regulatory Commission has already finalised the electricity tariff with effect from 1-4-2010. The Commission wishes to clarify that no decision has been taken on the proposals submitted by the Tamil Nadu Electricity Board for enhancement of power tariff. The Commission would finalise the power tariff enhancement after completion of the notified public hearings and after enlisting the views of the Government in the Energy department and Finance department. The decision on tariff revision could be some time in May or June 2010. The decision will have prospective effect.
