(a) The complainant had before making a complaint to the Electricity Ombudsman made a written representation to the forum of the licensee named in the complaint and either the forum had rejected the complaint or the complainant had not received any reply within a period of two months from date of filing of the grievance or the complainant is not satisfied with the reply given to him by the forum. This shall however not be applicable to the complaints of common nature described under clause 17 (1).

(b) The complaint is made within three months after cause of action has arisen.

(c) The complaint, which is not settled, is not in respect of the same subject, which was settled through the office of the Electricity Ombudsman in any previous proceedings whether received from the same complainant or along with one or more complainants or anyone or more of the parties concerned with the subject matter;

(d) The complaint does not pertain to the same subject matter for which any proceedings before any court is pending or a decree or award or a final order has already been passed by any competent court; and

(e) The complaint is not frivolous or vexatious in nature.

Rejection of the complaint

18 The Electricity Ombudsman may reject the complaint at any stage if it appears to him that the complaint made is;

- (a) frivolous, vexatious, malafide ; or
- (b) without any sufficient cause or;
- (c) that it is not pursued by the complainant with reasonable diligence or;
- (d) prima facie, there is no loss or damage or inconvenience caused to the complainant.

Powers to call for information

19 (1) For the purpose of carrying out his duties, an Electricity Ombudsman may require the licensee named in the complaint to furnish certified copies of any document relating to the subject matter of the complaint, which is or is alleged to be in its possession, within 15 days. Provided that in the event of failure of a licensee, without any sufficient cause, to comply with the requisition made under this clause, the Electricity Ombudsman may, if he deems fit, draw the inference that the information, if provided, or copies, if furnished, would be unfavourable to the licensee and proceed to settle the case on that basis.

(2) The Electricity Ombudsman shall maintain confidentiality of any information or document coming into his knowledge or possession in the course of discharging his duties and shall not disclose such information or document to any person except with the consent of the person furnishing such information or document. Provided that nothing in this clause shall prevent the Electricity Ombudsman from disclosing information or document furnished by a party in a complaint to other party or parties, to the extent considered by him to be reasonably required to comply with the principles of natural justice and fair play in the proceedings.

Settlement of complaint by agreement

20 (1) As soon as it may be practicable to do, the Electricity Ombudsman shall cause a notice of the receipt of any complaint along with a copy of the complaint to the concerned office of the licensee named in the complaint and endeavour to promote a settlement of the complaint by agreement between the complainant and the licensee named in the complaint through conciliation or mediation.

(2) For the purpose of facilitating for settlement of the complaint, the Electricity Ombudsman may follow such procedures, as he may consider appropriate.

(3) When a complaint is settled, through mediation of the Electricity Ombudsman, undertaken by him in pursuance of request made in writing by complainant and licensee through mutual agreement, the Electricity Ombudsman shall have the settlement recorded and signed in his presence and cause issuance of orders on the settlement of grievances by mutual agreement.

Hearing of the matter

21 (1) Where the complaint is not settled by agreement under clause 20, the Electricity Ombudsman may determine the stage, the manner, the place, the date and the time of the hearing of the matter as the Electricity Ombudsman may consider appropriate.

(2) The Electricity Ombudsman may decide the matter on the pleadings by oath of both the parties and direct the parties to written note of arguments or submission in the matter. The parties can be represented in person or through representatives of their choice.

Award

22 (1) Where the complaint is not settled by agreement under clause 20, the Electricity Ombudsman shall pass a speaking order with detailed reasoning that he thinks fair in the facts and circumstances of a claim.

(2) The order shall be in writing and shall state the full details of the award to the complainant and licensee.

(3) The Electricity Ombudsman shall pass an award within a period of three months from the date of receipt of the complaint.

(4) A copy of the award shall be sent to the complainant and the licensee named in the complaint. A copy of the award may also be sent to the concerned forum for information.

(5) The Licensee shall comply with the award within the period specified in the award and shall intimate the compliance to the Electricity Ombudsman.

¹[(6) The Ombudsman may on his own or on the application of any of the persons or parties concerned within 30 days of the making of the decision, direction or order review such decision, direction or order on the ground that such decision, direction or order was made under a mistake of fact, ignorance of any material fact or any error apparent on the face of the record.
