To
Chairman cum Managing Director / TNEB Limited,
6th floor, TANTRANSCO Building,
144, Anna Salai,
Chennai - 600 002

Lr.No. /TNERC/DE/ DDE2/ADSA/F.Direction toTG /D.No.766/2024,dated 23-05-2024.

Sir,

Sub.: TNERC – Solar applications for capacities upto 10kW – Technical feasibility exempted - Directions issued - Regarding.

Ref.: Electricity (Rights of consumers) Amendment Rules, 2024.

I am directed to communicate as follows:

It has been mandated in rule 7(A) of the Electricity (Rights of consumers) Amendment Rules, 2004 that the technical feasibility for roof top solar PV systems upto 10kW capacity is not required.

Hence, the technical feasibility study for roof top solar PV systems upto 10kW need not be undertaken in accordance with rule 7(A) of the Electricity (Rights of consumers) Amendment Rules, 2004.

Further, it is directed that inasmuch as the technical feasibility is exempted upto 10kW as above, the sanction power of GISS capacity and service connection estimate for meter replacement if any required upto 10kW, shall be delegated to the lower level field officers without having to transfer the application to the next higher level for further sanction, so as to avoid any delay.

In summary, the Section Officers shall sanction the GISS capacity upto 10kW / Service connection, sanction for meter replacement if any required and intimate the same to the applicant within 10 days.

Necessary amendment in the GISS regulation 2021 shall be made to this effect.

Sd/-23.05.24
Secretary,
Tamil Nadu Electricity Regulatory Commission.
