.....Respondents

Hearing Date: 25-11-2011

Thiru. E. Manoharan, Advocate appeared for the petitioner. Thiru. P.H. Vinod Pandian appeared for the respondent. After hearing, the Commission adjourned the matter with the following observations:-

The learned counsel for the petitioner stated that M/s. Clover Energy (P) Ltd., purchased 38 windmills from various owners after the PPAs were terminated by mutual consent. Subsequently, the petitioner has entered into an agreement with the TANGEDCO in June 2011 for wheeling of energy and again for sale of the surplus energy, at the end of the financial year, at the preferential tariff laid down by the Commission. Wheeling itself is at concessional rate and sale of energy will be at preferential rate. He argued that 3 years cooling period is not applicable in this case for becoming eligible for REC.

In view thereof no further arguments are necessary in the case. However, the learned counsel wanted time to collect the actual fact to argue the matter further. To meet the ends of justice the case is adjourned to the next sitting.
