ORDER

Thiru. Sekar, Chief Engineer, TANGEDCO presented the case. After hearing, the Commission passed the following order:-

“The petition was taken up for consideration. When the Commission lowered the RPO from 14% to 9% in August 2011, the consumption by TANGEDCO was assessed as 11%. TANGEDCO has now filed a petition seeking to lower the limit to 6% for 2011-12 and 7% for 2012-12. These are contradictory figures. Therefore, the TANGEDCO is advised to file a fresh petition, if necessary, incorporating the latest figures of consumption / purchase of renewable energy.

The present petition is closed.
