Date of order : 4-11-2011

M.P.No.2 of 2011 praying for fixing the RPO of TANGEDCO at 6% for 2011-12 and 7% for 2012-13 with an escalation of 1% every year upto 10% for 2015 and to split the above RPO into three categories and fix the percentage to (1) the Distribution Licensee (2) Captive Users and (3) Third Party Open Access Customers separately, came up for final hearing before the Commission on 4-11-2011.

Upon perusing the above petition and the connected records and after hearing the Petitioner represented by Thiru. Sekhar, Chief Engineer, TANGEDCO, the Commission passed the following:-

ORDER

The petition was taken up for consideration. When the Commission lowered the RPO from 14% to 9% in August 2011, the consumption by TANGEDCO was assessed as 11%. TANGEDCO has now filed a petition seeking to lower the limit to 6% for 2011-12 and 7% for 2012-12. These are contradictory figures. Therefore, the TANGEDCO is advised to file a fresh petition, if necessary, incorporating the latest figures of consumption / purchase of renewable energy. The present petition is closed.
