**Date of order : 1-4-2011**

The above petition is filed with the prayer to allow the Board for adopting the tariff determined for the procurement of surplus power of about 600 MW available with captive power plants (diesel gen-sets) in the HT services connected to the grid of Tamil Nadu by asking them to avail power through their own generators during the period 1<sup>st</sup> April 2011 to 15<sup>th</sup> May 2011 in view of the prevailing acute shortage of power; and to permit the petitioner to pay a tariff by fixing a minimum and maximum ceiling treating this as sale of power to the petitioner as there is an acute shortage of supply, and further allow the petitioner

to pay the excess over the energy charges payable to the HT consumers who agree for such an arrangement and to pass such other orders as deemed fit.

The above petition was taken up for consideration on 1-4-2011 and after hearing the arguments of the counsel for the petitioner, the Commission passes the following:-

### **ORDER**

The proposal of TANGEDCO amounts to purchasing power at the rate of Rs.9.85 per unit from diesel generators of industrial consumers and therefore will be covered by Sec.86(1)(b) of the Electricity Act 2003. The petition of the TANGEDCO may be hosted on the website of TANGEDCO as well as TNERC on 2-4-2011. Ten days time may be given to the public for furnishing comments on the proposal. Comments may be received upto 12-4-2011.

As the petition deals with the question of procurement of power from private diesel generators, this may be considered in the State Advisory Committee at 11 a.m on 11-4-2011.
