Date of Order : 14-9-2011

M.P. No. 13 of 2011 praying for the continuance of the order in M.P. No.16 of 2010 dated 19-10-2010 fixing a maximum celling limit of Rs.9.00 per Kwh. of the Reliability charge to be collected from the HT consumers who opt to avail power for the relaxation of 20% power cut came up for final hearing on 14-9-2011. The Commission upon perusing the above petition and the connected

records and after hearing Thiru.P.H.Vinod Pandian, Advocate for the Petitioner passed the following:-

ORDER

Thiru. P.H. Vinod Pandian, Advocate appeared for the Petitioner. After hearing, the Commission made the following order:-

The proposal is to buy power at Rs.9/- per unit when power is available even by TANGEDCO's own admission at the rate of Rs.5.09/- per unit. It makes no sense to pursue with this petition. The TANGEDCO should ascertain from the willing consumers the quantum of power which they would buy and the rate at which they would buy and then submit a fresh petition for consideration. The M.P. No. 13 of 2011 is closed.
