The above Miscellaneous Petition came up for hearing before the Commission on 13-9-2011. Thiru. P.H. Vinod Pandian, Advocate appeared for the petitioner. This petition is filed with the prayer to approve certain deviations in respect of clause 8.4.11 of PPA relating to the provision of credible escrow mechanism and in respect of RFP clause 1.3.1 in the matter of proposed power purchase of 450 MW by the petitioner. After hearing, the Commission made the following:-

**ORDER**

The TANGEDCO is directed to clarify what deviations they actually propose to make from the guidelines of the GOI. The guidelines as they are, the proposal of TANGEDCO and the deviations may be tabulated. Secondly, the TANGEDCO may clarify whether they would specify the quantum indicated in the letter No.CE/PPP/Dir./PP/EE/AEE/case 1/F.Tender.1/D-392/2011 dated 2-9-2011 or whether they would insist on the minimum of 100MW as proposed in the present bid document. Thirdly, the TANGEDCO may also justify whether they would really need this much of power in June 2012 when they would be flush with wind power as well as their expected capacity addition. The TANGEDCO should also certify that those are the only deviations and there are no other deviation, covert or overt, in the petition.
