S.M.P. No.2 of 2011 came up before the Commission on 17-6-2011. The Commission upon perusing the above S.M.P. No. 2 of 2011 and other connected records and after hearing the party to the proceedings passes the following:-

**ORDER**

Thiru V.G.Manoharan, Chief Engineer (Planning), appeared before the Commission on 17-06-2011. The Chief Engineer admitted that he committed a mistake in addressing the Commission directly through a letter on a matter relating to quasi judicial proceedings of the Commission. He

tendered his unconditional apology. The Commission regrets that senior officers of the TANGEDCO in exalted positions such as Chief Engineer are unaware of the distinction between executive and quasi judicial functions of the Commission. It is a sad state of affairs considering the fact that the Commission has been in existence for over more than ten years now. The Commission accepts the apology and hopes that such improper conduct would not be repeated by other senior officers of TANGEDCO.
