M.P.No.38 of 2012 came up for hearing before the Commission for admission on 16-11-2012. This petition has been filed by TANGEDCO with a prayer to clarify whether the transmission charges to be collected by TANGEDCO may be per day per MW or part thereof basis (or) in proportion to the capacity of the WEG and to confirm that the TNERC Intra State Open Access Regulations, 2005 is squarely applicable to the wind energy generators who wheeled their power for captive use or

for third party sale. It is also prayed to clarify whether collection of security deposit equivalent to three months average billing of transmission charges, wheeling charges and scheduling system operation charges from the wind energy generators who wheeled their energy for captive / third party use by TANGEDCO is in order and also for a declaration that Open Access charges such as transmission charges, wheeling charges, scheduling system operation charges and reactive power charges to be collected at generating end Electricity Distribution Circle itself is in order. The Commission upon perusing the above petition, the connected records and upon hearing the Chief Engineer, Non-Conventional Energy Sources, TANGEDCO passes the following Interim Order:-

#### **INTERIM ORDER**
