The D.R.P.No.38 of 2014 came up for final hearing before the Commission on 25-02-2020 and the Commission upon perusing the petition and connected records and after hearing the submissions of both sides passes the following:-

ORDER

1. Prayer in D.R.P. No. 38 of 2014:-

The prayer of the petitioner in this D.R.P.No.38of 2014 is to pass an order directing the respondents to forthwith make payment of a sum of Rs.15,91,559/- being the interest due and payable to the petitioner against delayed payments made by TANGEDCO for power supplied and further direct the respondents to pay interest for the future period@ 1% per month for any delay in settlement of invoices beyond the period of 30 days from the date of invoice and to direct the respondents to bear the costs of the instant petition including court fees and legal expenses and make payment of the said sum to the petitioner.

2. Facts of the Case:-

This petition has been filed to direct the Respondents to forthwith make payment of a sum of Rs.15,91,559/- being the interest due and payable to the petitioner against delayed payments made by TANGEDCO for power supplied @1% per month for any delay in settlement of invoices beyond the period of 30 days.

3. Contentions of the Petitioner:-

3.1. This petition is being filed seeking to claim interest on delayed payment against invoices raised by the petitioner for which payment has already been made by TANGEDCO. In addition to the payments which have been made belatedly, there are substantial sums of money due under invoices raised which are as yet outstanding. The payment of the invoice amounts together with the interest thereon is also due and payable.

3.2. The petitioner is currently preferring the claim only in respect of interest portion of invoices already made as the cause of action for making a claim on interest for payments against unpaid invoices would arise only when payments in that regard are received and when such payments are made without interest.

3.3. The petitioner is manufacturer of Synchrocones and Synchronizer rings which is *inter alia*, involved in the business of developing and operating Wind Energy Generation projects by utilizing clean technology. The petitioner is having wind power generators to the tune of 2.010 MW in the State of Tamil Nadu.

3.4. The petitioner has established Wind Power Generation Projects in Tirunelveli, Theni and Udumalpet in the State of Tamil Nadu with a total capacity of 2.010 MW. The power generated by these units is being sold to the 1st Respondent under the terms of agreements executed by the petitioner with the TANGEDCO. The location of its Windmills, date of commissioning, capacity and HT SC Nos. are set out herein below:-

No.	Location of Windmill & Jurisdictional TANGEDCO Circle	Capacity of Windmill	HT SC. No.
1	Tirunelveli District, Tirunelveli Circle TANGEDCO	0.60MW	2820
2	Udumalpet District Udumalpet Circle TANGEDCO	0.56MW	734 & 427
3	Theni District Theni Circle TANGEDCO	0.60 MW	T-202

3.5. The power generated by these units is being sold to TANGEDCO under the respective agreements. The petitioner has been raising invoices from time to time in accordance with the Contracts and Tariff Orders. However, for the past few years, the payments that have been received from TANGEDCO are being consistently delayed. Even when payments are made belatedly, they are being made without any interest for such delay.

3.6. In Tariff Order No.1 of 2009 issued by the Commission, there is a specific inclusion of interest payment. Para 8.11.1 of the Tariff Order deals with billing and payment and is extracted hereunder:-

8.11.1. When a wind generator sells power to the distribution licensee, the generator shall raise a bill every month for the net energy sold after deducting the charges for startup power and reactive power. The distribution licensee shall make payment to the generator within 30 days of

receipt of the bill. Any delayed payment beyond 30 days is liable for interest at the rate of 1% per month.”

3.7. The Hon'ble APTEL in its judgment in Chairman, TNEB & Anr. V. Indian Wind Power Association and Ors. in Appeal No.11 of 2012 dated 17-04-2012 held as follows:-

“13. It is settled law, when a certain time limit has been prescribed within which payments have to be made, it would mean that any payments made after the said time period would be subject to payment of interest as indicated above.

17. In any power project, one of the important aspects is the promptitude in payment since the delays would seriously affect the viability of the project. All these projects are substantially funded through finances obtained from various funding organizations require regular repayment of principal loan amount with interest by the generators. Only if regular payments are made for the power generated and supplied the loans can be serviced along with the promised return of investment.

x xx

The wind power generators are entitled for payment of interest on delayed payment made by the appellant for the purchase of the power from the generators.”

3.8. Therefore, all Wind Generators are entitled to interest on delayed payment @ 1% per month for every month's delay from the due date. Only a 30 day time limit is provided for payment and any delay beyond that will have to be made with interest @ 1% per month.

3.9. In the light of the specific provision contained in Tariff Order No. 1 of 2009 on interest on delayed payments, which is applicable to all WEGs commissioned after 19.09.2008, such as those of the petitioner, and because of the ruling of the

Hon'ble APTEL in Appeal 11 of 2012, the petitioner is entitled to interest on delayed payments including those payments which have already been remitted.

3.10. The petitioner has raised invoices for power supplied from its WEGs on a monthly basis as per the terms of the EPA and the petitioner has received payments against invoices for the period upto December 2012. However, these payments have been delayed by as much as one year or more. Despite the substantial delay, TANGEDCO has not made any payment of interest on delayed payments contrary to the order of the Hon'ble APTEL and the provisions of the Tariff Order No.1 of 2009 and the terms of the agreement.

3.11. TANGEDCO is due and liable to pay to the petitioner a sum of Rs.15,91,559/- towards interest on delayed payments alone.

3.12. The petitioner had sent a letter of demand on 10-08-2013 seeking payment of interest on delayed payments and there has been no response or positive action from the respondents. The respondents have been making ad-hoc payments from time to time which are substantially delayed and even while making such admittedly belated payment, they have failed to pay interest on such delayed payments.

3.13. The petitioner is paying a substantial court fee of Rs.15,916/- to file the instant petition for recovery of interest on delayed payments despite being entitled to the same as per the terms of the EPA, order of APTEL in Appeal No.11 of 2012 and Tariff Order No.1 of 2009 issued by this Commission. The action of

TANGEDCO in not paying the petitioner interest on delayed payments, which the petitioner is legally entitled to, is contrary to the terms of the contract / EPA and binding judgments and the petitioner submits that it ought to be awarded the costs of the petition including court fees and legal expenses incurred.

4. Hearing held on 28-04-2014:-

During the hearing held on 28-04-2014, both parties submitted that they proposed to negotiate the issue for finding the possible settlement and considering the submission of both parties, the Commission has granted 60 days time for settlement and report to the Commission.

5. Hearing held on 05-09-2019:-

In the hearing held on 05-09-2019, the Counsel for the Respondent informed that notice seeking the willingness on the part of the petitioner for settlement at 6% interest has already been issued and TANGEDCO was directed to file counter.

6. Hearing held on 17-09-2019:-

In the hearing held on 17-09-2019, the petitioner's counsel has been directed to file Memo for accepting 6% interest on payment from TANGEDCO.

7. Hearing held on 10-12-2019:-

In the hearing held on 10-12-2019, Memo has been filed by the petitioner agreeing the offer of the TANGEDCO Counsel for settlement of dues at 6% per annum, if the payment is made within a period of 60 days.

8. On 17-12-2019, the petitioner has filed an affidavit accepting the offer of TANGEDCO to pay 6% interest on the belated payment. In the affidavit, the petitioner has stated as follows:-

- (a) The payment of 6% interest shall be paid by TANGEDCO on all payments made belatedly from May 2009 to till date.
- (b) Such payment shall be made within 60 days of filing of this affidavit before the Commission.
- (c) The Commission may record such payment only on the basis of the present affidavit and this shall not be treated as a precedent for further belated payments, in respect of which interest at the rate as provided for in the Tariff Orders, i.e. at 1% per month.
- (d) The court fee paid by the petitioner may be directed to be paid by TANGEDCO, in addition to such interest as payment towards cost of this D.R.P.
- (e) In the event, the full payments due are not settled and paid within 60 days, the entire sums due towards interest become automatically due and payable at the full contractual rate and payment in that regard shall be paid by TANGEDCO.

9. Hearing held on 25-02-2020:-

In the hearing held on 25-02-2020, the counsel for the petitioner submitted that only part payment has been made and the Commission directed to file both parties to file Written Submissions within two weeks. However, the Written Submission has not been filed by any party.

10. Findings of the Commission:-

10.1. The petition has been filed to pass an order directing the respondents to forthwith make payment of a sum of Rs.15,91,559/- being the interest due and payable to the petitioner against delayed payments made by TANGEDCO for power supplied and further direct the respondents to pay interest @ 1% per month for the future period for any delay in settlement of invoices beyond the period of 30 days from the date of invoice and to direct the respondents to bear the costs of the instant petition including court fees and legal expenses and make payment of the said sum to the petitioner.

10.2. The hearing in the matter took place on various dates. During the hearing held on 17-09-2019, the Counsel for the petitioner was directed to file a Memo for accepting 6% interest on payment from TANGEDCO. On 10-12-2019, the Counsel for the Petitioner agreed to the offer of TANGEDCO.

10.3. On 17-12-2019, the petitioner also filed an affidavit agreeing to accept the offer of TANGEDCO for payment of interest at 6% per annum. In the affidavit, the petitioner has stated as follows:-

- (a) The payment of 6% interest shall be paid by TANGEDCO on all payments made belatedly from May 2009 to till date.
- (b) Such payment shall be made within 60 days of filing of this affidavit before the Commission.
- (c) The Commission may record such payment only on the basis of the present affidavit and this shall not be treated as a precedent for further belated

payments, in respect of which interest at the rate as provided for in the Tariff Orders, i.e. at 1% per month.

- (d) The court fee paid by the petitioner may be directed to be paid by TANGEDCO, in addition to such interest as payment towards cost of this D.R.P.
- (e) In the event, the full payments due are not settled and paid within 60 days, the entire sums due towards interest become automatically due and payable at the full contractual rate and payment in that regard shall be paid by TANGEDCO.

10.4 On 25-02-2020, the counsel for the petitioner submitted that no payment has been made and hence orders may be passed on merits. The Commission therefore directed both the parties to file their Written Submission within 2 weeks. However, none of the parties has filed any Written Submission. Hence, the Commission is inclined to decide the issues based on available records.

10.5 The respondent TANGEDCO has not denied its liability for payment of interest. Having failed to avail the payment of reduced rate of interest at 6% per annum, the respondent is liable to pay interest as per the contractual terms or orders of the Commission in force as the case may be. In this connection, our attention is drawn to the provisions of Tariff Order No.1 of 2009 dated 20-03-2009 issued by the Commission which provides as follows:-

8.11.1. When a wind generator sells power to the distribution licensee, the generator shall raise a bill every month for the net energy sold after

deducting the charges for startup power and reactive power. The distribution licensee shall make payment to the generator within 30 days of receipt of the bill. Any delayed payment beyond 30 days is liable for interest at the rate of 1% per month.”

10.6 The Hon'ble APTEL in its order dated 17-04-2012 in Appeal No. 11 of 2012 has upheld the payment of interest on delayed payment to the wind energy generators and this order has also been upheld by the Hon'ble Supreme Court in CFC Vs. GangadharNarasinghdasAgarwal in Review Petition (Civil) 1606 of 2018 in Appeal No. 5465 of 2014 dated 16-08-2018.

10.7. In view of the above, the respondent, TANGEDCO is liable to pay 1% interest for delayed payment beyond 30 days of receipt of the bill as per the above Tariff Order for the balance amount that remains unpaid by the respondent, TANGEDCO.

10.8. TANGEDCO is directed to make payment of Rs.15,91,559/- towards interest as per our findings in para10.7 above to the petition within three months from the receipt of this order, after deducting payments, if any already made. In the circumstance, there will be no order as to costs.

This D.R.P. is finally disposed of with the above direction.
